When we provide you with advice about Capricorn Mutual and its protections, we will be providing you with general advice only. This means that the advice will not take into account your particular objectives, financial situation or needs. You need to make your own assessment of whether Capricorn Mutual and its protections are suitable for your needs in light of your own circumstances.

The protections offered by Capricorn Mutual are not contracts of insurance. The protection is provided by Capricorn Mutual on a discretionary basis. Details of what this means are contained in the Capricorn Mutual Product Disclosure Statement (PDS).

We do not search the market for any risk protection or insurance product that competes with, or is a substitute for, the protections offered by Capricorn Mutual unless:

1. You are not eligible to be a Member of Capricorn Mutual.
2. The product you require is not provided by Capricorn Mutual, which includes but is not limited to:
  - a. Workers Compensation
  - b. Management Liability
  - c. Professional Indemnity
  - d. Directors & Officers
  - e. Personal Accident & Illness
  - f. Pleasure Craft

### Services related to insurance brokered through Capricorn Insurance Services

Where we may provide you with services outside of our exclusive arrangement to deal on behalf of Capricorn Mutual, we may provide you with information on general insurance products brokered by Capricorn Insurance Services.

We will only provide you with general advice, which means that the advice will not take into account your particular objectives, financial situation or needs. You need to make your own assessment of whether any general insurance products brokered through Capricorn Insurance Services are suitable for your needs depending on your own circumstances. While we cannot provide you with personal advice, it may be provided to you by Capricorn Insurance Services.

Capricorn Insurance Services has relationships with a range of insurers and only sources insurance alternatives from those insurers and does not compare all products in the market.

### Other documents that may be provided to you in connection with services or products offered to you

Depending on the scope of services requested by you, when appropriate, we may be required to provide you with:

## 1. Product Disclosure Statement (PDS)

When you request a quotation or information about a protection or an insurance policy, if it is a retail product, a PDS will be provided to you. The PDS is prepared by the relevant product issuer and contains information to assist you to make a fully informed decision about whether or not to purchase the product, including features, benefits, risks and fees associated with the product.

## 2. Statement of Advice (SOA)

Sometimes it will be appropriate for you to be provided with personal advice that takes into account your individual objectives, financial situation or needs. You may request this as an additional service or Capricorn Insurance Services may be required to provide it to you in respect of a particular product, such as Personal Accident & Illness insurance. Personal advice may include recommendations about available cover, benefits, restrictions, exclusions and conditions.

Any personal advice will be provided by Capricorn Insurance Services only, and not by us. Such advice may be provided to you orally or in writing, depending on your requirements. You will be provided with a SOA where this is required by law, or where you requested it at any time within seven years of first being provided the personal advice. We recommend that you carefully read and fully understand any PDS or SOA provided to you prior to purchasing any related product.

## We do not provide tax, accounting or legal services

It is not our role, or the role of either Capricorn Mutual or Capricorn Insurance Services, to provide you with tax, accounting or legal advice. If you want such advice you should consult a specialist in that field.

Arrangements within the Capricorn Group are kept separate and distinct and do not influence the services provided to you.

### Capricorn Mutual

Capricorn Mutual, which has also appointed us as its authorised representative, is a related entity and subsidiary of Capricorn Society Ltd due to Capricorn Society Ltd being able to appoint the majority of Directors of Capricorn Mutual. A majority of the Directors of Capricorn Mutual are also Directors of Capricorn Society Ltd. Arrangements between Capricorn Mutual and the Capricorn Group include the exclusive arrangement described above, under the heading “Services related to protections issued by Capricorn Mutual”.

We may arrange premium funding to help spread costs of your insurance premiums over the year. The premium funder may be a third party that we have an arrangement with or it may be part of the Capricorn Group. We or Capricorn Insurance Services may act as the premium funder's agent in cancelling insurance if you have failed to meet your premium funding obligations. Any premium funding arrangements will be contained in a separate agreement between you and the premium funder.
